STATUS: Senate Transportation Committee

SUPPORT IF AMENDED (SIA)

***Please note AB 879/Koretz has been amended to address CHEAC's concern. The Legislative Committee recommended an S-3 position.**

SPECIAL INTEREST BILLS

AB 30/Richman - Requires MRMIB to expand HFP to provide coverage to employed childless adults who are uninsured, meet certain income criteria. Subject to approval of federal waiver and appropriation of state matching funds.

LAST ACTION: Passed out of Assembly Appropriations (24-0)
STATUS: Passed out of Assembly (73-0) - In Senate

AB 1716/Human Services Committee - Requires, for 2003-04 FY and fiscal years thereafter, that no Sales Tax Growth Account funds shall be allocated until the caseload portion of the base of each county's social services account in the county health and welfare trust fund is funded to the level of the prior year, and would require that funds to meet that requirement shall be allocated from Sales Tax Account of the Local Revenue Fund.

LAST ACTION: In Senate

STATUS: Senate Health & Human Services Committee - Set for hearing 6/11/03

SB 420/Vasconcellos - Requires DHS to establish and maintain a voluntary program for the issuance of id cards to qualified medical marijuana patients and establishes procedures under which a qualified patient with an id card may use marijuana for medical purposes. Imposes various duties upon county health departments relating to the issuance of id cards.

LAST ACTION: Passed out as amended from Senate Appropriations (7-5)

STATUS: Senate Floor - Amended 5/27/03

SB 476/Florez - Allows Emergency Medical Services Agencies to maintain a reserve of only 10% in the physicians and hospital portions of their EMS fund. Requires each county to report to the EMSA on each April 15 (instead of January 1), and requires EMSA to compile and submit a report to the Legislature. Requires the administering officer to solicit input from physicians and hospitals to review payment distribution methodologies to ensure fair and timely payments.

LAST ACTION: Passed out of Senate (37-0)

STATUS: Referred to Assembly Health Committee

SB 635/Dunn - Revises the limitation for uncompensated ER physician services to specify that the payment (to the physician) will not be made through any private health insurance or health plan coverage. Eliminates requirement that reimbursement can only be made for services provided in the first 48 hours.

LAST ACTION: Passed out of Senate (37-0)

STATUS: Referred to Assembly Health Committee

SB 767/Florez - ~~Spot bill to~~ Enacts the California Health Care Safety Net Act of 2003 that will, among other things, ~~would~~ set a minimum standard for access and availability of health care for the most underserved and uninsured populations in CA **level of funding for specified health care programs, and would prohibit these programs from being included in any transfer of responsibility and funding from state government to local governments.** Requires a hospital, as a condition of receiving funds allocated for emergency departments from public sources, to have a written MOU or other formal agreement between the hospital and nonprofit community health centers in its area that would require emergency departments to establish a process, including protocols, whereby an emergency department would refer non-emergency care patients to nonprofit health centers for preventive primary care services and nonprofit community health centers would refer inpatient care cases to hospitals. Requires DHS Director to establish a task force composed of reps from specified provider groups to assess whether other programs should be added to the programs included in the health care safety net.

STATUS: Senate Rules Committee - Amended 5/20/03

*Please note that the position on SB 767 has changed from a Watch to an Oppose-3.
