SUPPORT 1

AB 547/Berg – Authorizes cities, counties and cities and counties to have a clean needle and syringe exchange project in consultation with DHS. Eliminates local declaration of emergency provisions.

LAST ACTION: Assembly concurred in Senate amendments (47-31). To Governor.

STATUS: Signed by Governor. No chapter assignment yet.

SUPPORT 2

AB 512/Richman - Authorizes DHS to deny, suspend or revoke a clinical lab's license or registration for failure to comply with specified disease reporting requirements. Authorizes DHS to impose civil monetary penalties for failure to comply with these requirements.

LAST ACTION: Assembly concurred in Senate amendments (75-1). To Governor.

STATUS: Signed by Governor, Chapter 219, Statutes of 2005.

AB 702/Koretz - Additionally allows OSHPD to provide financial assistance to students who are seeking a nursing master or doctoral degree.

LAST ACTION: Passed off the Senate Floor (34-0). To Governor.

STATUS: Signed by Governor. Chapter 611, Statutes of 2005.

NEW BILL – AB 1116/Yee – Authorizes designated foster care providers and other persons to administer emergency medical assistance and injections for severe diabetic hypoglycemia and anaphylactic shock, and subcutaneous injections of other prescribed medication, to a foster child, if the provider is trained to administer injections by a licensed health care professional. Would not supersede existing law requirements applicable to the administration of psychotropic medication to a dependent child of the court. Requires the licensed health care professional to periodically review, correct, or update the training as the health care professional deems necessary and appropriate. Prohibits a child's need to receive injections pursuant to the bill from being the sole basis for determining that the child has a medical condition requiring specialized in-home health care.

LAST ACTION: Amended 9/2/05. Passed off Senate Floor (33-0). In Assembly for concurrence. Assembly concurred in Senate amendments (79-0). To Governor.

STATUS: Signed by Governor. Chapter 637, Statutes of 2005.

SB 12/Escutia – Revises the provisions relating to the sale of certain beverages and food items at high schools, to include, among other things, portion size restrictions, commencing 7/1/07.

LAST ACTION: Senate concurred in Assembly amendments (26-10). To Governor.

STATUS: Signed by Governor. Chapter 235, Statutes of 2005.

SB 965/Escutia – Restricts the sale of beverages to pupils at a high school at specified times to certain specified beverages.

LAST ACTION: Senate concurred in Assembly amendments (26-11). To Governor.

STATUS: Signed by Governor. Chapter 237, Statutes of 2005.

SUPPORT IF AMENDED

SB 57/Alarcon – Provides that a county board of supervisors, until 1/1/09, may elect to levy an additional penalty in the amount of \$2 for every \$10, upon fines, penalties and forfeitures collected for criminal offenses. Requires counties that have pediatric trauma units to spend 15% of the funds collected pursuant to these provisions for pediatric trauma centers. Requires use of these funds, not to exceed 10%, for administrative costs, including, but not limited to, the court's cost in processing the fees.

LAST ACTION: Senate concurred in Assembly amendments (23-15). To Governor.

STATUS: VETOED by Governor.

SPECIAL INTEREST BILLS

No Position

SB 1100/Perata – Enabling legislation for the hospital financing proposal.

STATUS: To Governor. Signed by Governor. Chapter 560, Statutes of 2005.

Watch w/ concerns

AB 1078/Keene - Enacts the "Methamphetamine Contaminated Property Cleanup Act of 2005." Specifies the human occupancy standards for property that is subject to the act, and those standards would remain in place until the Department of Toxic Substances, in consultation with the Office of Environmental Health Hazard Assessment develops standards to determine when a property is contaminated by meth lab activity is safe for human occupancy. Requires local health officers to take specified actions after receiving notification from a law enforcement agency of potential contamination. Authorizes health officers to delegate all or part of the duties specified in the act to a designated agency. Requires the local health officer to record with the county recorder a lien and the issued order on the property. Authorizes the city, county or city and county to impose a nuisance abatement lien if the property owner fails to pay for the costs of remediation. Other provisions.

LAST ACTION: Passed off Senate Floor (38-1). In Assembly for concurrence. Assembly concurred in Senate amendments (79-0). To Governor.

STATUS: Signed by Governor. Chapter 570, Statutes of 2005.

SB 941/Alquist – Provides that the costs of administering the EMS fund and the Physician Services Account shall be based on actual administrative costs not to exceed 10%. Revises reimbursement from the Physician Services Account to delete the 50% maximum, and to require proportional distribution to physicians and surgeons, as to all funds remaining at the end of the year not to exceed the total claimed. Requires counties establishing Physician Services Account to annually report by 4/15 to the Legislature on the implementation and status of the account. Requires counties to adopt a fee schedule for the Physician Services Account as well as require periodic disbursement of the fund at least quarterly. Other provisions. Now co-joined with SB 57/Alarcon.

LAST ACTION: Amended 9/2/05. Passed off Assembly Floor (77-0). To Senate for concurrence. Senate concurred in Assembly amendments (38-0). To Governor.

STATUS: Signed by Governor. Chapter 671, Statutes of 2005.

Watch

AB 109/Chan – Adds requirements that county First Five commissions adopt policies regarding conflict of interests of commission members and commission contracting and procurement policies that the county adopt a limit on the percentage of the county commission's operating budget that may be spent on administrative functions, pursuant to guidelines issued by the state commission and that the county commission adopt policies and processes establishing the salaries and benefits of county commission employees.

LAST ACTION: Assembly concurred in Senate amendments (76-2). To Governor.

STATUS: Signed by Governor. Chapter 284, Statutes of 2005.

SB 35/Florez – Requires each county commission, on or before November 1 of each year, to submit its audit and report to the state commission. It would require the report to be in a format prescribed by the state commission, if the state commission approves that format in a public meeting prior to the fiscal year in which it is to be utilized. Requires that the state commission's report include a listing, by category, of aggregate expenditures on program areas funded by the state and county commissions. Authorizes the state commission to withhold funds that would otherwise be allocated to the county commission from the CA Children and Families Trust Fund in the event a county commission does not submit required information for the written report. Requires the Controller to issue guidelines for expanded county commission annual audits and associated quality control functions, subject to funding by the state commission, and to present the final audit guidelines and implementation plan to the state commission on or before 4/30/06. Other provisions.

LAST ACTION: Senate concurred in Assembly amendments (40-0). To Governor.

STATUS: Signed by Governor. Chapter 243, Statutes of 2005.

SB 104/Ortiz – Makes an order of a local health officer enforceable immediately by certain state or local peace officers. Authorizes the state DHS director and the local health officer to consider whether a request for enforcement assistance would necessitate advising regarding measures to be taken to prevent infection

of enforcement officers when requesting assistance in enforcement of their orders. Contains placeholder language for possible use in implementation of federal bioterrorism preparedness grant.

LAST ACTION: Senate concurred in Assembly amendments (40-0). To Governor.

STATUS: Signed by Governor. Chapter 478, Statutes of 2005.
