Definitions of Legislative Terms

Chaptered – A bill passed by the Legislature and signed into law by the Governor.

Concurrence – The approval by the house of origin of a bill that was amended in the opposite house .

Dead Bill – A bill that has not passed out of it’s house of origin by the end of January of the second-year of the two-year legislative session. (Please note all deadlines may be waived by Legislative leadership.)

Failed Passage – A bill that has been voted on in either a committee or assembly or senate floor and did not receive a majority vote. An urgency measure or tax increase must receive 2/3 vote on the floor.

Gut and Amend – An amended bill where the previous legislative language is removed and replaced with entirely new subject matter.

Held in Committee – Status of a bill that is heard in committee but no action is taken.

Inactive File – A bill ready for floor consideration but placed on a dormant list upon the author’s request.

Interim Study – The assignment of a bill’s subject matter to the appropriate committee for study during the period the Legislature is not in session.

Reconsideration Granted – A motion giving the opportunity to take another vote on a bill that has failed passage in a committee hearing or floor session.

Rules Committee – All bills are initially referred to this committee in each house for policy committee assignments.

Spot Bill (or intent bill) – A bill that proposes nonsubstantive changes to a code section in a particular subject. Often used as a legislative vehicle later in the legislative session for ideas not fully fleshed out when the bill is introduced.

Suspense File – Bills meeting a certain appropriation threshold in fiscal committees are placed on the suspense file. Fiscal committees in each house hold a special hearing close to the fiscal committee deadlines (late May and August) to determine which bills will come off the suspense file and move forward. The decision on each bill is pre-determined by leadership and the committee vote is mostly a formality.

Two-Year Bill – A bill that has not passed out of it’s house of origin policy or appropriations committee by designated deadlines in the first year of a two-year legislative session. (Please note all deadlines may be waived by Legislative leadership.)
