Concurrence – The approval by the house of origin of a bill that was amended in the opposite house.

Dead Bill – A bill that has not passed out of it’s house of origin by the end of January of the second-year of the two-year legislative session. (Please note all deadlines may be waived by Legislative leadership.)

Failed Passage – A bill that has been voted on in either a committee or assembly or senate floor and did not receive a majority vote. An urgency measure or tax increase must receive 2/3 vote on the floor.

Gut and Amend – An amended bill where the previous legislative language is removed and replaced with entirely new subject matter.

Held in Committee – Status of a bill that is heard in committee but no action is taken.

Inactive File – A bill ready for floor consideration but placed on a dormant list upon the author’s request.

Interim Study – The assignment of a bill’s subject matter to the appropriate committee for study during the period the Legislature is not in session.

Suspense File – Bills meeting a certain appropriation threshold in fiscal committees are placed on the suspense file. Fiscal committees in each house hold a special hearing close to the fiscal committee deadlines (late May and August) to determine which bills will come off the suspense file and move forward. The decision on each bill is pre-determined by leadership and the committee vote is mostly a formality.

Two-Year Bill – A bill that has not passed out of its house of origin policy or appropriations committee by designated deadlines in the first year of a two-year legislative session. (Please note all deadlines may be waived by Legislative leadership.)
